## **“New Year, New .....**”

Yes, that's right. You fill in the blank. New hope? New love? New opportunities? New riches? New blessings? New attitudes? New body image? New diets? New perspectives? New resolutions? New WHAT?? You fill in the blank. As it turns out, no one can interject for you the way you see your life. No one can change your life for you and no one can do for you what you can't/ won't do for yourself. The beginning place for such change is found in the transformation of the mind. As the 80's song (Sonicflood) goes:

“Write your name upon my heart” Jer 31:33

“Burn your word into my mind” Jer 20:9

“Make a temple of this body” Cor 6:19

“Let your spirit loose inside” Ez 36:26-27; John 14:16-17

So, this New Year we each have a new chance to let ourselves be teachable for new ways into new areas of new hope, new life, new chances. This newness of new life, rebirth and regeneration happens through the acceptance of the progressive teachings of Jesus Christ. The footprints Jesus gives to us for salvation grace is found in the acceptance of the work we will do for the continuing growth of our spiritual lives, our faith development and our restructuring of the present realities we face in the name of Christ who shows us the way. What is not a reality is that Christ will do the work/living for us. Just like no one will transform our lives in this new year for us. We must open our hearts and minds to practice loving and living more fully in the space of Godly living. This means we are to change the way we perceive life (including ourselves and our impact we have all around us). The only way this transformation will change from expectations into acceptances, from resolutions into blessings, from begrudging laborious work into a labor of love is when we choose to set our minds in the presence of Godly Spirit.

What type of a life is it you are looking for? What purpose and meaning do you wish to achieve? Are the wishes for the new year ones that are God promoting and peace filling within? These are other questions about our life's views that will do well to be shared through the principles of Christ's ministerial teachings if we want to truly live our lives to the fullest sense of our Godly creation and all this new life promises to give.

In 2026, may we each make a conscious decision to turn our minds over to God each day through the acceptance of Jesus Christ and his teachings. Then, together, may we let the Holy Spirit lead and guide us into a blessed New Year. One day at a time. One breath at a time. Together in Christ, let's see what happens!!

Blessings to All!

Pastor Julie ☺☺

## CHRISTIAN EDUCATION

We really enjoyed being with the kids that came each week during Advent in a combined Sunday School class. We talked about the various characters of the Christmas story and they painted those pieces of a nativity set. We think they've had their fill of painting for awhile!

Our movie event in mid-December was very fun. We played some games and watched The Star. It was a nice way to spend time together. We hope to host another movie event during the Easter season.

We hope to offer Sunday School each week now until the end of May. If you're interested and willing to teach even for just one week, please let us know. We have a curriculum that we're following, and would be happy to have some help!

### **USHER**

Hi all and Happy New Year! For those who may not know, I will be the head usher for the upcoming year. I am going to need a lot of help filling the usher positions for each month. It is best if you can do a whole month, but I understand that things come up and you may not be able to do the entire month. I can work with that! Please email me at [ajkellogg@roadrunner.com](mailto:ajkellogg@roadrunner.com) or call/text me at 440-487-8558 if you are willing to fill one of the usher positions for a particular month.

If you've never been an usher before I'm here to help! It's not a hard job, but there are things that you will need to know before you usher for the month. I will be holding a short (10-15 minute) training session after church on January 11th for anyone new to being an usher or for those wanting a refresh. Again, this is open to anyone! I am going to need your support! If you cannot attend the training I will provide a handout for you.

Following is the schedule for the next few months...

#### **January**

Rick and Nancy Jevnikar

#### **February**

Linda McBean and Barb Petersen

Thank you to all who have already signed up and God Bless!

Jill Kellogg

## **Coffee Hour Changes and Schedule**

At the recent Cabinet Meeting, it was voted to return the coffee hour schedule back to doing by officers/committees. Realizing we do not have 12 committees and some committees have only a very few people on them there are some with two committees on that month.

Also we want to stress that your committee does not have to do it all. Please ask other church members or friends who are not on a committee to be involved also.. Your committee is responsible for providing or scheduling one or two people to do coffee and finger food.

### **RESPONSIBILITIES:**

Someone needs to make coffee in the Bunn coffee maker. Instructions on machine. Carane Ladd offered to teach anyone. Regular coffee and one decaf pot to start, Remember it takes at least 20 minutes to heat the water to “brew” temperature. Be sure and clean up after, remove grounds and clean pots.

After church food can be as simple as cheese, crackers and fruit, finger food or as fancy as you want to go. Something to go with a cup of coffee! Church attendance for coffee hour varies but church attendance is 30-40 people.

Basics will be provided by the hospitality committee: coffee, creamer, sugar, artificial sweeteners. paper supplies, napkins and paper plates. We will also provide juice for children. We will have a designated shelf in the back pantry.

Clean up. wipe down counters and tables. do not put any leftover food in the refrigerator or freezer. And last but not least, take the garbage out to the dumpster!

Questions? Hospitality Committee currently, welcomes new members!

### **TRUSTEES**

The work on the front sill beam continues, They did find more damage upon opening it up further, and parts to fix that have been ordered. We were aware that might happen, it is “an old house.”

Our AED equipment has arrived. We have it put up and we will schedule a class for those interested in learning how to apply it in an emergency.
